

**KEEP
CALM
AND
DO
IC**

Everyone knows that Instant Challenges require teams to engage in quick creative and critical thinking. Team members must think on their feet by applying appropriate skills to produce a solution within a short time period of usually less than 10 minutes. Instant Challenge is the one place a team manager can actively coach and train a team without it being interference, but how do you do that effectively? The solution. . .

**Gulf Coast Region Team Managers
Are Invited To**

"Keep Calm and DO IC"
